

TUC Black  
Workers'  
Conference  
special  
issue

## THIS MONTH

### FEATURES

- 10 Unions respond to rising Islamophobia**  
Unions are working with anti-racist and community organisations to campaign against Islamophobia and other forms of racism
- 13 The pros and cons of a universal basic income**  
There has been growing interest in the idea of a universal basic income – though it is far from supported by everyone
- 16 Data protection law: what does it mean for unions?**  
Tough new data protection legislation will be in force from next month. *Labour Research* examines the impact on trade unions
